DEPARTMENT OF THE INTERIOR,
UNITED STATES INDIAN SERVICE,

San Carlos, Arizona, October 9 1906.

The Commissioner of Indian Affairs,
Washington, D.C.

Sir:

I have the honor to enclose a census of the Apache Indians of the San Carlos Indian Reservation.

This census though incomplete, is the result of careful inquiry of each head of family or prominent member thereof, as they could be reached.

The book of Records in this office is found to contain many errors in recording and pronouncing of names, and was not thought trustworthy enough to use in completing this census.

The census when completed will contain about 2500 names. As many of the Indians have been off the reservation at work at distant points this year, and could not be reached, the census is forwarded in its present incomplete state.

Very respectfully

Luther S. Kelley
U.S. Indian Agent.
